

# Senior Financial Analyst

(Ref: 19/01)

Grant Thornton Greece is a member firm of Grant Thornton International Limited (GTIL), one of the leading organizations delivering audit, tax and advisory services. Grant Thornton, is currently seeking for a confident and self-motivated Financial Analyst, who will contribute to the successful expansion of Grant Thornton's Operational Advisory Department and will help to further strengthen our potential in the market (Ref: 19/01).

## Role

You will join our Business Consulting team and will have the following duties and responsibilities:

- Support the full acquisition process of new projects;
- Contribute to consultancy research and data analysis;
- Support the project team to help our clients implement policies and strategies;
- Build sophisticated financial models and draft reports and presentations in the course of our on-going projects;
- Interact on a frequent basis with customers;

## Requirements

- Post-graduate degree in a relevant area (finance, business, economics);
- At least 5 years of professional experience in advisory services projects (corporate finance, project finance, business reorganization, efficiency improvement, project management);
- Organizational and time management skills, ability to work on a step-by-step basis, analytical thinking, collaboration and problem solving skills
- Strong financial modelling skills, capable of building sophisticated financial models. Prior experience in use of VB and Macro tools with MS-Excel will be consider an asset;
- Excellent command of spoken and written English;
- Strong writing, communication and presentation skills;
- Proficiency in other Microsoft Office tools (Word & PowerPoint).

Candidates are invited to explain briefly in their motivation letter (max 1-pager) in which positions they acquired professional experience and why they are interested in working for Grant Thornton.

## Why should I apply to Grant Thornton?

- Friendly and dynamic working environment, in which you can develop your skills and competencies
- Competitive remuneration and benefits package
- A work place with a strong focus on values and work-life balance and the joint aim to provide the best possible solutions for our clients
- Formal training, coaching and mentoring
- Your professional and personal success is our commitment

## How can I apply?

Please send your CV and cover/motivation letter with the reference code 19/01 by e-mail at [recruitment@gr.gt.com](mailto:recruitment@gr.gt.com). All applications will be treated as strictly confidential.
