

Senior in Business Consulting (Management Consultant)

Grant Thornton's Business Consulting is an agile, continuously growing, industry focused group of Grant Thornton Advisory Services, distinct in terms of thought leadership, offering high quality services to our clients, committed to "making a difference every day". Grant Thornton Greece Business Consulting is currently seeking to employ a Senior in Business Consulting (Management Consultant). (Ref: 18/03)

Role

The successful candidate will be responsible for delivering all phases of project (from proposal to closure stage) and engagement management for multiple clients in a wide variety of industries in order to help our clients reform their operations and support their business by providing intuitive guidance. You will be an important ally to every organization who wants to invest in change and improvement and needs help as to where and how. You will also undertake projects on behalf of the client's business when it lacks resources or motive to perform them in-house. The goal is to contribute to the clients' long lasting success so that our reputation can expand along with our clientele.

- Organize and execute assigned business projects on behalf of clients according to client's requirements
- Meet with assigned clients when needed and perform an initial assessment of a problematic situation
- Collect information about the client's business through a variety of methods (shadowing, interviews, surveys, reading reports etc.)
- Analyze and interpret data to unearth weaknesses and problems, and comprehend the causes
- Formulate recommendations and solutions according to best practices, state of the art bibliography, Grant Thornton tools, etc with attention to a client's wishes, capabilities and limitations forming concise reports
- Present findings and suggestions to clients with ample justification and practical advice
- Develop detailed business plans to drive small or radical changes
- Assist the client in implementing the plan and resolve any occasional discrepancies
- Provide guidance for any occurring problems and issues

Requirements

- Proven experience (3-5 years) as a Business Consultant
- BSc/BA in Business Administration, Engineering, Math or relevant field; MBA, MSc in Business Analytics, Applied Economics, or relevant will be an advantage
- Professional Qualifications (e.g. CBAP, Six Sigma, PMP, etc) will be considered as a plus
- Proficiency in MS Office
- Fluency in English language
- Familiarity with a wide selection of business management software (CRM, ERP etc.) and databases will be considered as a plus
- Outstanding communication and interpersonal skills
- Analytical thinking with excellent data collection and analysis skills
- Adaptability
- Creative problem-solving skills

Why should I apply to Grant Thornton?

Grant Thornton will provide you with a friendly, dynamic environment and help you develop the skills and competencies you need to achieve your potential. Your professional and personal success is our commitment.
