

Focus on Shipping Industry

Empowering quality solutions for a sustainable tomorrow in the shipping industry

They say that in business you can always expect the unexpected. Nowadays, companies have to fight not only against volatility, uncertainty, market disruption, but also against changing market conditions. In this ever-changing world, which requires alertness, proactiveness and adaptability, you deserve a dynamic, knowledgeable, experienced and trusted advisor.

Our client focus and quality of services is our uncompromising principle. Our clients' sustainability, progress and trust is our only concern and aspiration.

Having a wide range of experience in working with ambitious management teams and growing companies, we are passionate about leveraging our

clients' strategic vision, people and capabilities, by delivering state-of-the-art services. It is our purpose to help them identify and exploit their opportunities in today's swiftly adapting market realities, by creating sustainable economic and social value.

In Grant Thornton, we develop long-term relationships with our clients, by providing holistic, one-stop-shop value-added services, with no geographical borders. Our main goal is to support your business development with audit, tax, outsourcing and advisory services, providing solutions to your challenges. As always, we share our industry and market expertise, and valuable insights wherever your operations are, with a reliable international network and five offices around Greece.

**At Grant Thornton,
we go beyond
business as usual,
so you can too.**

Business is an ecosystem of relationships. That is why our clients honor and trust our people and services.

““
With no ‘gray’ areas. For us, this is #1 that distinguishes Grant Thornton from the companies we have used before.”

CFO, Listed Entity

““
Very structured, focused and extremely efficient during our cooperation. The team was very capable and technically advanced.

General Manager & Group COO, Listed Entity

““
Combined a clear understanding of clients’ needs with modern methodology and a pragmatic approach on how to achieve them.

CFO, Large Greek Entity

““
Professional approach to all our questions and problems. Makes the Management feel safe.

CEO, Multinational Company

““
Next to the client, showing courtesy, willingness, high level of cooperation and immediate responses to our needs.

Director of Credit Control, Listed Entity

We support you in a 360° way

Business is an ecosystem of our services and our people. This is why our clients honor and trust our people and services. However, what distinguishes us is our deep **commitment to our clients**, our **outstanding services** and **client-centric approach**. Moreover, our solution-focused consulting strategy, values and principles that place our clients' investment as our top priority, give us an undeniable competitive edge.

“We work at an impressive pace. Yours.”
